Guidelines for Unit Test- I (Session: 2025-26)

Grade IX and X

Dear Parents,

We'd like to inform you about the upcoming Unit Test-1 that will commence from 13th May 2025.

Kindly consider the following points:

- Please actively supervise your child's studies and ensure that they are ready for the upcoming test.
- Ensure your child arrives at school in the proper uniform, with their ID card, water bottle, and necessary writing materials such as pens, pencils, erasers, rulers, and geometrical instruments in a transparent pencil pouch. Also, remind them to bring their school bags according to their class timetable.
- Regular classes will resume soon after the Unit Test.
- Punctuality is crucial. Students arriving late won't be allowed to take the unit test and will be marked absent.
- Students who miss the exam because of any reason will be marked absent. Their re-exam won't be conducted.
- If your child has a medical issue or emergency, and you've submitted an early leave application before the unit test starts, you may pick them up around 9:00 am.
- If your child is unwell, please inform the class teacher or school nurse before they enter the classroom.
- It's essential to ensure your child doesn't cheat during the exam. Any student found engaging in academic dishonesty will be awarded zero.
- To maintain integrity and fairness, any form of collusion, cheating, plagiarism, or unauthorized assistance during the unit test will result in immediate disqualification and disciplinary action.
- Remember, electronic devices like smartwatches and calculators are not allowed during the test.
- We appreciate your continuous support and cooperation for the well-being of your child and the school's management.
